

CLERK: The request is to bracket 124 until April 5th.
Signed, Senator Fowler.

SPEAKER LUEDTKE: Chair recognizes Senator Fowler.

SENATOR FOWLER: Did someone object?

CLERK: Yes, Senator Kahle objected.

SENATOR FOWLER: The bill was on consent file last week and advanced off General File. I haven't had a chance to review everything. Someone has contacted me about the possibility of amending the bill rather than bringing it back from E & R or Final Reading, I thought we could just bracket it until next Tuesday and by then, if there is any problem we could see if there is a solution.

SPEAKER LUEDTKE: The Chair recognizes Senator Kahle.

SENATOR KAHLE: Would you have any idea what the objection might be?

SENATOR FOWLER: The objection deals in the area of notice. I had a bill last year to try and deal with this problem. It was supported by the local Clerk of the District Court and some attorneys. The feeling is that I'm not sure that this bill achieves the goal that was desired.

SENATOR KAHLE: The only thing that I know is that when it was heard there were no objections. Rudy Teeser, Clerk of the District Court of Douglas County, appeared in favor of it. I guess I just wondered what seems to be the matter with it. I think we bracketed it once before for this same kind of a deal. I believe if you want to do something with it you should be ready to put the amendment on it. If there is a specific thing you want to do with it I'll sure consent to the bracketing, but if it's just a stalling tactic I'd rather take a vote on it.

SENATOR FOWLER: It's not a stalling tactic. By then I would have an amendment if I see the need for it, by Tuesday.

SENATOR KAHLE: Okay. I'll agree to hold it till Tuesday.

SPEAKER LUEDTKE: Till Tuesday, April 5th. It is unanimously agreed then, there is no objection so it is so ordered on LB 124. Alright we'll proceed then with LB 274. Senator Cullan.

SENATOR CULLAN: Mr. President, members of the Legislature. I move the E & R amendments to LB 274 be adopted.

SPEAKER LUEDTKE: Motion to adopt the E & R amendments to LB 274. Any discussion? All those in favor of the E & R amendments to LB 274 vote aye, opposed nay. The E & R amendments are adopted. Senator Cullan.

SENATOR CULLAN: Mr. President, members of the Legislature. I move that LB 274, as amended, be advanced to E & R final.

SPEAKER LUEDTKE: Motion to advance LB 274. Is there any discussion? All those in favor of advancing LB 274 vote aye, opposed nay. LB 274 is advanced. Senator Cullan. LB 430.
